

USS THE SULLIVANS (DD 537)

Dear Shipmate:

It has been a long time since we called "SULLY" our home, and I am sure that many of you have thought about the crew and what has happened to them over the years—and imagine many have thought about a reunion but have never got around to start anything about one.

This is an attempt to get the ball rolling, and with cooperation on your part we are setting a target date of July or August 1959, and a tentative location as Chicago, as it is centrally located with good transportation facilities from all points and with available accommodations. Both time and place may change, depending on the response we get.

It will be a job to try to locate approximately 725 men who spent time on THE SULLIVANS. Any help or information you can give will be greatly appreciated.

Donations of \$2.00, more or less, with your questionnaire to help cover initial costs of the undertaking would be in order, and would be accounted for. Checks can be payable to "USS THE SULLIVANS REUNION FUND."
